BALE PROCESSOR FEATURES AND OPTIONS

BALE BEATER CABINET

DISCHARGE BELT

TWINE HOOKS

TRUCK OR TRAILER MOUNTED, THE KIRBY 1 TON BALE PROCESSOR TAKES THE JOB OF AS MANY AS 4 RANCH HANDS AND REDUCES IT TO ONE WORKER OPERATING FROM THE COMFORT OF THE CAB.

Begin turning up to 9 bales of hay into a palatable feed with the flick of a switch! The variable speed floor drag chain ensures a consistent flow of hay to the beaters while Kirby's unique floor chain design prohibits hay from being pulled into the crossfeed. With a commitment to quality and excellence that is backed by decades of field proven reliability, Kirby Processors keep you running strong.
