SILAGE TRAILER FEATURES AND OPTIONS

STEERABLE AXLE FOR TIGHT TURNS

2 MINUTE UNLOAD TIME

40 FOOT FLOOR LENGTH

THE KIRBY 40 FOOT SILAGE WAGON IS YOUR SECRET WEAPON TO GETTING MORE DONE IN LESS TIME!

With the capacity of TWO TRUCKS and an average unload time of under 2 minutes, we have engineered the Kirby Silage Wagon to give maximum performance while being as operator friendly as possible! We do this by not only simplifying all controls, but also creating the **best steering system in the industry.**

If you are looking for more capacity, easier steering, tighter turn radiuses and the fastest unload times - look no further than the Kirby Silage Wagon!
